

Conference List

A Database and Data Engineering

CCF A:

- **SIGMOD**, ACM Conference on Management of Data
- **KDD**, ACM Conference on Knowledge Discovery and Data Mining
- **ICDE**, IEEE International Conference on Data Engineering
- **VLDB**, International Conference on Very Large Data Bases
- **SIGIR**, International Conference on Research on Development in Information Retrieval
- **PODS**, ACM Symposium on Principles of Database Systems

CCF B:

- **CIKM**, ACM International Conference on Information and Knowledge Management
- **EDBT**, International Conference on Extending Database Technology
- **WSDM**, ACM International Conference on Web Search and Data Mining
- **ICDM**, International Conference on Data Mining

B System engineering

CCF A:

- **OSDI**, USENIX Symposium on Operating Systems Design and Implementations
- **SOSP**, ACM Symposium on Operating Systems Principles
- **FAST**, Conference on File and Storage Technologies

CCF B:

- **EuroSys**, European Conference on Computer Systems
- **ASPLOS**, International Conference on Architectural Support for Programming Languages and Operating Systems
- **CIDR**, International Conference on Innovation Database Research
